

Download Harry Potter and the Prisoner of Azkaban (2004) with English subtitles. Harry, Ron and Hermione return to Hogwarts for another magical year. The film is based on the first part of J. K. Rowling's novel of the same name about the adventures of Harry Potter. The plot of the film takes Harry to childhood, who in an instant decides to quit studying and go to Hogwarts. As the graduation day approaches, inexplicable things begin to happen in the lives of friends. The film is shot very well. Everything is thought out to the smallest detail. Lots of special effects. The film has a lot of humor. He is unobtrusive, not vulgar, and not annoying.
