Worms Armageddon Plus is an easy-to-install patch that

modernizes the game and

adds new levels to it. This add-on should appeal to those who love Worms Armageddon but don't want to buy a new

game. As before, you have to take control of a team of worms and go to the battlefield in order to destroy the enemy. To fight the army of the dead, you will need to defeat each of the commanders. Additional cards and new worms will help you with this.
