Apr 1, 2018 However, I've just started using this calculator as I like the neat look of the buttons and curves so far. I know that it is a little expensive but it is easy to use and great for homework. It probably have to invest in one eventually. Apr 4, 2020 FX 570MS is the first simple friendly, pocket friendly CASIO calculator available in the market. It is full of the students and ordinary people who are serious in their study but don't have enough time for their calculators. Oct 20, 2019 Though CASIO FX 570MS can handle almost all the advanced calculus functions but yet it can be used to study the basic calculus. Nov 16, 2019 FX 570MS is the only calculator with full support of complex numbers and trigonometry. It can handle many complex functions like sin, cos, tan, sinh, cosh, csch. With a name that reflects the engineering principles and traditions of the MIT and D.E. Shaw & Company teams, Parallax Inc. is developing an interactive digital tablet, the Pulseus, which takes "picture-in-picture" television to the next level. The company's first product is called the Next-Generation Pulseus (see video above). It is a complete medium for home entertainment and interactive education, with a touch screen and multi-touch sensitivity for browsing. The device also includes wi-fi, a Wi-Fi capable digital video recorder with 20 hours of digital SD recording, a built-in six-disc DVD player, TV tuner with an 80-channel selection, as well as with an "iPhone-like" data transfer system. The device also can support TVs with built-in digital tuners, such as many of the new HDTVs and some high-definition TVs (like some 60-inch HDTVs on the market, as well
