SteamWorld Quest is a four-player action adventure game, developed by Image & Form. This is the first original game in the World of Aether series, and is one of the first titles developed by Image & Form, alongside other critically acclaimed titles such as SteamWorld Dig, SteamWorld Heist, SteamWorld Dig 2, SteamWorld Dig: Tower of Doom, and SteamWorld Heist 2. Since its release on January 9th 2013, SteamWorld Quest has won more than 20 awards, including several Game Of The Year awards, Best Indie Game at the VGX, Apple Best iPhone Game, and The Wall Street Journal's Game On Award. The game was also nominated for the BAFTA in the UK, Gamekritik Award in Germany, and Arkadium's Best RPG in 2012. SteamWorld Quest has been successful in the US and Europe, selling well over 250,000 units worldwide. SteamWorld Quest II: RocketRobotRobot Chase was released on October 31st 2014 on PlayStation 4, Xbox One, and PC. [Key Features] Four players, four unique worlds - together, or apart Build up the Steamworld through a chain of epic quests that span four unique worlds. The first world, the unexplored exterior of the Station, is packed with secrets and gadgets. The second world, a famous location called "The Tower," is densely packed with biomes and hostile to intruders. The third world, the settlements of Luxuria and Veldt, is a fauna-filled tropical paradise, with a space station with a checkered past. Lastly, the fourth world, the Cursed Plane, is the undead zone of Aether. With so much to see, the player must check every nook and cranny to uncover hidden passages and secrets. Cooperate or fight - the choice is yours! Besides building up Steamworld, players will be able to design their characters, equipping them with weaponry and gadgets. Like a true World of Adventure, every choice matters, as the world reacts differently depending on which character you assign. Unlock characters, weapons, and gadgets from Steamworld Quest 1 and 2. Compatible with SteamWorld Dig: Tower of Doom and SteamWorld Dig 2! Cultural Attractions Travel across the globe in SteamWorld - from the lonely town of Diseta to the mysterious netherworld of Aether. Each stop on the Steamworld Quest adventure feels unique and is packed with surprises and secrets to find. Expanded Online Features The SteamWorld c9d1549cdd
