The Modern Drummer Magazine Archive.Owner Code: MOS2011 Location: Belgium You can find this Belavantin large-sized chest of drawers in many antique shops. The collection is also known under the name "Belavantin" by the Gisela and Marcel Breuer. In 1956 the architects Breuer and Breuer designed the Tylwyth Forain for this collection. The massive chest of drawers was the work of the master painter Yvon Goethals. In storage, this chest of drawers exhibits a certain weakness. The paint which does not stick to the bottom parts and front contains triacetylcellulose (f
