Full game requires PlayStation 4 console and PS Vita (playstation, for PC - PC And Console, Why I'm Leaving the Bay Area [to Avoid Being Trolled] dan manges ===== chollida1 If you post these articles to hacker news... ...you will never leave the bay area because people will be extremely pedantic about what you are complaining about. When this story was posted a few weeks back there were some very curious comments about the author not having realized they were trying to go where millionaires live before (kind of like the first person to declare they were leaving YC then listing all the lame reasons why). I don't think its a bad thing. If the people commenting were wrong, then either its something they thought was valid but was not, or they were trolls trying to show why the author should not move to where the uber rich lived. But trying to out smart someone is not the proper way to figure out if someone should leave or not... ----- mathattack I think the author comes across as demanding. I agree that it's really time to move out of the Bay Area, but it doesn't have to be immediately . I can understand moving out on your own terms. ----- rpedela "Look, I know I'm not the first to have this idea. I'm actually a bit of a fanboy, and I keep having the same idea..." Wow, that's some incredibly poor self-awareness. ~~~ sanatgersappa It's not exactly a denial. The producers of Stigma made a pretty big deal out of the fact that their book The Unspoken Voice proves that 3-D
