From a studio that creates the game of myth and legend, the Elder Scrolls, Bethesda Game Studios, comes an upcoming action role-playing game, The Elder Scrolls Online, which is being developed specifically for the Internet with its next-generation technology. In the main story of The Elder Scrolls Online, which takes place between the games of Skyrim, Oblivion and Morrowind, you become the leader of a new group of followers to battle the enemies of the empire. You are a member of the Redguard nation, one of the largest and most powerful among the eight nations in the Lands Between. As a leader of your group of followers, a troubled and troubled, you must rise and advance, establishing a civilization in the Lands Between. The Elder Scrolls Online offers players endless ways to play, enjoy and conquer the world of Tamriel, including PvP multiplayer battles and the ability to rise through the ranks in a new and vast multiplayer world that seamlessly connects to your existing online games at home. The Elder Scrolls Online was built from the ground up to take advantage of the latest technology available and to provide gamers with the most immersive and high-quality online game experience possible. Delivering a massively-multiplayer online role-playing game experience with unparalleled freedom in Tamriel, The Elder Scrolls Online utilizes next-generation game technologies that are unleashing the full potential of online gaming. Without using an outdated MMORPG (Massively Multi-Player Online Role-Playing Game) model, The Elder Scrolls Online features real-time fleet action that lets players command a vast fleet of ships in hundreds of massive fleet battles that unfold across any of the game's expansive open world. Facing and commanding powerful enemies using skill and strategy, you embark on a journey of epic proportions, starring as a powerful leader and fighting alongside like-minded followers. Become an Elder in the Nexus, the system that governs Tamriel and the Lands Between. Elder influence in the Nexus gives you the power to cast favors and gifts on other users, allowing you to gain influence and assist your fellow Elder friends. Influence can be used to unlock powerful skills that can increase your character's strength or increase the size of your fleet of ships. You can also influence other players by using gifts or favors to improve their characters. Unlike the traditional experience of leveling up a character, as you level up in your Elder Role, you earn more Influence and Power Points. Truly, no other MMORPG allows you to be a powerful hero in a vast open world with endless

"Music has done me good."

NINTENDO JAPAN has revealed the brand new version of its content streaming application for the Nintendo Switch for those wanting to make their own VTRs of popular gaming moments.

"Gyokusei", who have become a key element in Japanese games over the years, provide the platform for gamers to listen to the soundtrack that enables them to experience a step forward in the development of character growth.

With the application, you can connect to an online server and link the songs to your VTRs to make your very own takes on Yu Yu Hakusho episodes, Dragon Quest VII music, or any of the many game and anime-themed tracks.

PlayStation®4 users can be first to try out the application in Japan between December 17-31, 2017, while Nintendo Switch™ users can try it out by downloading the application from the Nintendo eShop and adding Japanese Audio Details by Super NES Entertainment System to the home screen.

DEUS EX: HUMAN REVOLUTION is a hardcore action game and the fourth instalment in the blockbuster series. As in the previous games, Deus Ex marks a new revolution in action adventure games: realistic graphic simulation and state-of-the-art plot, life simulation, and tutorial systems. The main difference, however, is the ruthless action of Deus Ex's bullet-time mode. Introduction

THE NEW FANTASY ACTION RPG. Rise, Tarnished, and be guided by grace to brandish the power of the Elden Ring and become an Elden Lord in the Lands Between. • A Vast World Full of Excitement A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. As you explore, the joy of discovering unknown and overwhelming threats await you, leading to a high sense of accomplishment. • Create your Own Character In addition to customizing the appearance of your character, you can freely combine the weapons, armor, and magic that you equip. You can develop your character according to your play style, such as increasing your muscle strength to become a strong warrior, or mastering magic. • An Epic Drama Born from a Myth A multilayered story told in fragments. An epic drama in which the various thoughts of the characters intersect in the Lands Between. • Unique Online Play that Loosely Connects You to Others In addition to multiplayer, where you can directly connect with other players and travel together, the game supports a unique asynchronous online element that allows you to feel the presence of others.

Share On: Come write with me! If you are a writer, copywriter, brand professional, or a seeker of truths that get your blood flowing, come on in. If you are coming because you are in need of some truths to flow... well, step right into it. Literally. Take a seat. Make yourself comfy. Pick a truth that you'd like to know that might make a difference in your life... and believe it. If you can believe a person with whom you've had only one brief meeting, you can believe a truth. If you believe that, you will share your truth. You will share it with your writing, with your brand, and with everything you do in your life.
